

SPSO decision report

Case: 201004022, Scottish Prison Service
Sector: Scottish Government and devolved administration
Subject: sentence planning
Outcome: not upheld, no recommendations

Summary

Mr C complained that due to failure by SPS to manage his sentence he was being prevented from progressing through it. He felt that plans for him had not been completed and he was unable to access relevant programmes as a result. Our investigation confirmed that all relevant plans had been completed for Mr C and that his sentence was being managed properly.
