

## SPSO decision report

**Case:** 201102206, Scottish Prison Service  
**Sector:** Scottish Government and devolved administration  
**Subject:** orderly room hearing  
**Outcome:** not upheld, no recommendations

### Summary

Mr C, who is a prisoner, complained about the process followed by the adjudicator at his orderly room hearing. He said evidence put forward by him was ignored and his witnesses were not called.

Following our enquiries with the SPS, we were satisfied the adjudicator applied and followed the proper process prior to reaching his decision at Mr C's hearing and we did not uphold the complaint.
