

SPSO decision report

Case: 201401836, Scottish Prison Service
Sector: Scottish Government and devolved administration
Subject: transfer to another prison
Outcome: not duly made or withdrawn, no recommendations

Summary

Mr C complained that the Scottish Prison Service failed to transfer him to the closest appropriate establishment to his postcode. We identified that the establishment Mr C had in mind was not appropriate as it did not provide a course he was required to complete. He was later moved to an appropriate establishment and listed for the relevant course. He was satisfied with this and decided not to pursue his complaint further.
