

SPSO decision report

Case: 201508386, Dundee City Council
Sector: local government
Subject: advertisement of proposals: notification and hearing of objections
Outcome: not upheld, no recommendations

Summary

Ms C and Mr C complained about the level of consultation carried out by the council in relation to a site planning brief issued by them proposing that an area of open space on a former school site be released, in part, for housing.

We reviewed the steps taken by the council when undertaking the consultation and also considered the procedural and legal duties imposed on the council in respect of consultation. Having done so, we were of the view that the consultation carried out was proportionate and in line with the council's responsibilities. We did not uphold the complaint.
