

SPSO decision report

Case: 201604928, Fife NHS Board
Sector: health
Subject: clinical treatment / diagnosis
Outcome: not duly made or withdrawn, no recommendations

Summary

Mr C complained that there was an unreasonable delay in diagnosing his skull fracture, that there was a further delay in his being informed of the diagnosis and that there was an unreasonable delay in his being referred to an appropriate specialist.

Mr C declined to provide consent for his medical records to be accessed and his case was therefore discontinued.
