

## SPSO decision report

**Case:** 201700795, East Dunbartonshire Council  
**Sector:** local government  
**Subject:** neighbour disputes and anti-social behaviour  
**Decision:** not upheld, no recommendations

### Summary

Ms C, who is a council tenant, complained that the council failed to take the appropriate action in response to her reports of her neighbour's anti-social behaviour.

We found that the council had investigated Ms C's complaints in line with their procedures. Whilst we noted that Ms C does not wish to continue living at her property, the council have not received any further reports of anti-social behaviour, therefore they cannot be required to take any enforcement action. We did not uphold this complaint.
