

## SPSO decision report

**Case:** 201707564, Glasgow City Health and Social Care Partnership  
**Sector:** health and social care  
**Subject:** continuing care  
**Decision:** not upheld, no recommendations

### Summary

Mr C complained on behalf of his mother (Ms A) about the partnership's decision to discharge Ms A from hospital based care and into a care home.

We took independent medical advice. We found that the partnership had followed Scottish Government guidance in both reaching their decision, and in processing Mr C's appeal of that decision. We did not uphold the complaint.
