

SPSO decision report

Case: 201809898, Clackmannanshire Council
Sector: local government
Subject: other
Decision: not upheld, no recommendations

Summary

Mr C complained about the support provided to him by the council following his release on licence from prison. Mr C also complained about the content of a report that the council submitted to the Parole Board, requesting consideration of Mr C being recalled to prison. We took independent advice from a social worker. We did not find evidence that the council's decision-making or the support provided to Mr C was unreasonable. We did not uphold Mr C's complaints.
